# Back Quit Hurting

"I was in a very weak condition from a serious sickness," writes Mrs. J. Leonard, 271 Joseph St., New Orleans, La. "I was so weak, I wanted to sleep all the time. I did not have strength to do anything. My back ached nearly all the time. I was just in misery. My mother told me I must arouse myself from the slumps, and take something to help get my strength back. She had taken Cardui and had been helped, so I decided to take Cardui, too. After my first bottle, I could see that it was helping me. I took four bottles at this time. My strength came back and I gained weight. Pretty soon, my back quit hurting, and I haven't had any more trouble since I took Cardui."

# Warnock School News

We are proud of the fact that so few of our large boys have stopped school this spring to work on the farms. We are indeed grateful for this expression of your appreciation of the work we are striving to put over, and the continuation of such cooperation will add much to the spirit and zeal with which only the best work can be done.

Our boys and girls are finishing their practice on the basketball courts, getting ready for the county tournament to be held on Friday and Saturday of this week. After the tournament we shall begin on other types of playground activities to provide for the physical phase of our school life.

The members of the eighth grade enjoyed a Valentine box Friday afternoon. After the valentines were given out, we went for a short hike, and to terminate an afternoon of fun, a fire was built and marshmallows roasted.

The pupils of the sixth and seventh grades enjoyed a Valentine party which was given Friday afternoon. Valentines were given out, games played, lemonade and sandwiches were served. Both grades are now working on a blackboard for February 22nd. This is examination week and we are all striving to make better marks than were made by some of us last month.

Members of the fourth and fifth grades have become very much interested in Junior Red Cross work, since Miss Lester came out and talked to them on this work. They are all looking forward to being members of the organization and most of them have already earned their penny.

Members of the faculty have been visiting in Junior Red Cross work during the past few days. Misses Evans and Aikens spent Thursday night with Mr. and Mrs. H. A. Kennedy. On Tuesday night the entire faculty were the guests of Mr. and Mrs. M. M. Rushing. Such occasions as these tend to do away with the "school-teacher" class, and make us feel like we are beginning to break into the "white folks" class.

Homer Eakin, of Cleveland and Miss Relief Poirer, of Waco, Tex., were married by long distance telephone, the toll fee being \$5.00.

Mrs. Howell Cone entertained the members of the T. C. club at her home on North Main street in Statesboro Wednesday afternoon. The T. C. club is made up of students of the Teachers' College, and among its members is Miss Sara Katherine Cone, daughter of the host. A number of lady members of the faculty also attended the club.

The lady members of the faculty were delightedly entertained at a social at the Statesboro Methodist church Wednesday afternoon. Those who attended report a very pleasant afternoon.

The junior and senior classes entertained the student body last Saturday with a Valentine party. The party was given at the regular supper hour in the main dining room in Anderson Hall. Many clever stunts were arranged for the occasion and the decorations for the hall were very pretty. Speakers from Statesboro took part in the evening's program.

The science club under the direction of Miss Malvina Russell, head of the science department, had charge of the chapel program on Thursday morning, and at that time presented the second Georgia Day program for this month. The program was Georgia's Climate as an Asset, Frances Coleman; Mineral Resources of Georgia, Leonard Powell; the Influence of Water Power on the Future of Georgia, Hazel Deal; the Naval Stores, Elmo Hallard.

This is the week for reports cards to be given out. We are expecting many home roll students. Many trees have been put out on the campus. We hope to have many shades ere many years. We are planning to replant many flowers in a few days.

Our basketball team has been very successful. The game between Nevils and Denmark Thursday afternoon was very interesting. The girls defeated Nevils by a score of 18 to 15. The boys defeated by a score of 36 to 9. High score maker for Denmark was Sanders. Nevils' high score man was Anderson.

We are hoping to be successful in our basketball tournament, which is Friday and Saturday.

# TEACHERS COLLEGE

President Guy Wells left Thursday for Atlantic City, where he will attend a meeting of the American Association of Teachers' Colleges beginning Friday morning, February 21st. President Wells will also be in Atlantic City for the meeting of the department of superintendents of the National Education Association.

At the weekly meeting of the College Dramatic Club a very interesting program was given and a dainty course served. Miss Harriet Roberts gave a discussion on the art of story telling. Frances Douglas then gave a fairy story, followed by a negro skit by Elizabeth Orr and Joyce Gardner. The program ended with a pantomime, "As You Like It," with the following cast: Hero, Lucile Rouns; heroine, Virginia Lewis; sonny, Elizabeth Addison; parent, Elizabeth Orr.

Those from East Dormitory spending the week end off the campus were: Dora King, Sara Anderson, Bertie Green, Blanche Fields, Kathleen Daughtry, Hulda Call, Lucile Suddath, Florence Brinson, Harriet Roberts, Mildred Avret, Sadie Usher, Marie Hendrix, Sara K. Cone, Vennie Clark, Brumelle Deal, Emma Blount, Evelyn Simmons, Rosalya Walsh, Agnes Lewis, Frances Coleman, Evelyn Olliff, Sally Jo Bird, Euclid Compton, Elizabeth Addison, Iris Walker, Telma New, Addie B. Parker, Dora Smith, Vivian Donaldson and Clifford Griner. Misses Olivia Tatum and Louise Kennedy, of Claxton, spent the week end with Miss Peggy Ruth Smith Gibson in East Dormitory.

Miss Jewel Durrence, of Claxton, member of the junior class, was selected as the 1930 May Queen here this week.

Miss Carrie Law Clay, head of the English department and faculty sponsor of the George-Ann weekly school paper, was host to the members of the staff that paper at the home of Mrs. J. W. Williams on Savannah avenue Friday evening.

The Statesboro Methodist Sunday school delightfully entertained the students of the college who attend that Sunday school Wednesday afternoon. The students with their hosts spent from 2 to 6 o'clock at Lovers Hill, about three miles from the college.
